STAGE

Width: 17m/55.7ft
Depth: 15 m / 49.2 ft
Height: 0 m / 0ft
Clearance to truss: 6.8 m / 22.3 ft

DRESSING ROOMS

1 x Floor 37.3m² (Below the Stage)

Each well equipped with:

1 x European-Style Toilet

2 x Showers with Warm Water

Chairs, Couches, Tables, floor length mirrors, a fridge and catering equipment.

There is also a 1 x Front-Loading Washer, 1 x Front-Loading Dryer and an iron available.

If there is a need for an extra room, we could reserve a room above the stage. But it doesn't have all the things, that the dressing room has, and it can get a bit noisy.

PARKING

For unloading you can drive on to the Kasernen-Areal via Kasernenstrasse.

Unfortunately, parking is prohibited on the Kasernen-Areal. Please let us know if you arrive with a transporter. We could reserve a parking space close to the Kaserne. We need the length of the car 48h before arrival.

Normal-sized cars can be parked either at the hotel or at the car park near by the Kaserne: [here](#).

Or you could buy a visitor [parking card](#).

We have a noise limit of 100 dbA/hour at the loudest spot in the audience and are obliged to record sound level measurements during the whole performance!
